Can't stop, addicted to the shindig  
Chop top, he says I'm gonna win big  
Choose not a life of imitation  
Distant cousin to the reservation  
Defunct, the pistol that you pay for  
This punk, the feeling that you stay for  
In time, I want to be your best friend  
Eastside love is living on the West End  
Knock out, but boy you better come to  
Don't die, you know the truth is some do  
Go write your message on the pavement  
Burn so bright, I wonder what the wave meant  
White heat is screaming in the jungle  
Complete the motion if you stumble  
Go ask the dust for any answers  
Come back strong with 50 belly dancers

| The world I love The tears I drop To be part of The wave can't stop  
| Ever wonder if it's all for you  
| The world I love The trains I hop To be part of The wave can't stop  
| Come and tell me when it's time to

Sweetheart is bleeding in the snow cone  
So smart, she's leading me to ozone  
Music, the great communicator  
Use two sticks to make it in the nature  
I'll get you into penetration  
The gender of a generation  
The birth of every other nation  
Worth your weight the gold of meditation  
This chapter's gonna be a close one  
Smoke rings, I know you're gonna blow one  
All on a spaceship persevering  
Use my hands for everything but steering  
Can't stop, the spirits when they need you  
Mop tops are happy when they feed you  
J. Butterfly is in the treetop  
Birds that blow the meaning into bebop

| The world I love The tears I drop To be part of The wave can't stop  
| Ever wonder if it's all for you  
| The world I love The trains I hop To be part of The wave can't stop  
| Come and tell me when it's time to  
| Wait a minute I'm passing out Win or lose, just like you  
| Far more shocking Than anything I ever knew How 'bout you  
| 10 more reasons Why I need somebody new, just like you  
| Far more shocking Than anything I ever knew Right on cue

Can't stop, addicted to the shindig  
Chop top, he says I'm gonna win big  
Choose not a life of imitation  
Distant cousin to the reservation  
Defunct, the pistol that you pay for  
This punk, the feeling that you stay for  
In time, I want to be your best friend  
Eastside love is living on the West End  
Knock out, but boy you better come to  
Don't die, you know the truth is some do  
Go write your message on the pavement  
Burn so bright, I wonder what the wave meant

Kick start the golden generator  
Sweet talk, but don't intimidate her  
Can't stop the gods from engineering  
Feel no need for any interfering  
Your image in the dictionary  
This life is more than ordinary  
Can I get 2 maybe even 3 of these  
Comin' from space  
To teach you of the Pleiades

Can't stop the spirits when they need you  
This life is more than just a read-through
